TODAY'S FEATURED WINE

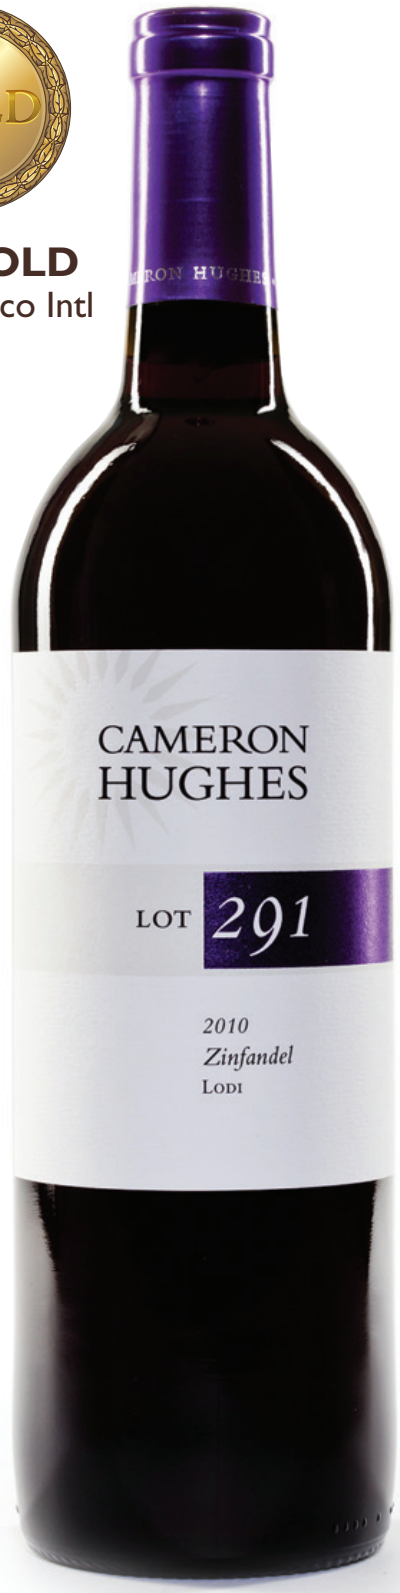
HUGHES

LOT 291

2012 GOLD
San Francisco Intl



Zinfandel

2010, Lodi

Lot 291 is the result of a vineyard and winery partnership with one of Lodi's best growers. This is **a fresh, sexy fruit bomb** packed with lavish red fruit, cracked pepper and spice. Juicy fruit and a saucy texture clamor for attention. A dollop of Tempranillo and a touch of Petite Sirah lend **great depth and structure** to this exuberant wine.

Cameron Hughes is a modern international négociant, sourcing and creating small lots of high quality wine from the world's best wine regions. Each "Lot" wine release is unique in character and each is available only in very limited quantities. For more information, visit us at www.chwine.com
