Taste: Lot 348 is purple/black in color with a sultry smoldering nose infused with toasty oak and cherry. Concentrated black fruit is layered with subtle notes of chaparral. Divine.

Cameron Confidential: Lot 348 is produced from Tempranillo sourced from winemaker Sam's madder Lake Vineyard, Cabernet Sauvignon from Napa Valley, and Carignane from our Lodi programs. The resulting blend is an anstonishly precise and darkly fruited wine with effusive aromatics and pitch perfect balance.wherein various vines were planted in a vineyard and the under-performers had their heads lopped off to be replaced by budwood from the best performers.
