Taste: Lot 391 is lavishly constructed; a melange of lush blue/black fruit flavors with aromatics of crème de cassis and raspberry liquer. Ripe texture and pure fruit deftly mesh in a lovely mouthful. Sensational.

Cameron Confidential: This wine is the result of a vineyard and winery partnership with one of Lodi's best growers that we started in 2009. Effectively, grapes are farmed to our specifications, sold to a winery and made under our winemaker's guidance by the winery. A famous and very high-end Zinfandel and Petite Sirah brand sources one half of this particular vineyard. We buy the other half of the vineyard and sell the wines for a fraction of what theirs cost.
