

CAMERON HUGHES

Lot 126 Meritage

2006, Alexander Valley, Sonoma County

“Smooth, rich, and silky this wine has exceptional balance, outstanding complexity, and shows the deft hand of a winemaker crafting premium wine, including generous fruit and supple texture. It has weight and dimension but never sacrifices its elegance for heft or brawn. An outstanding example of Alexander Valley terroir.”

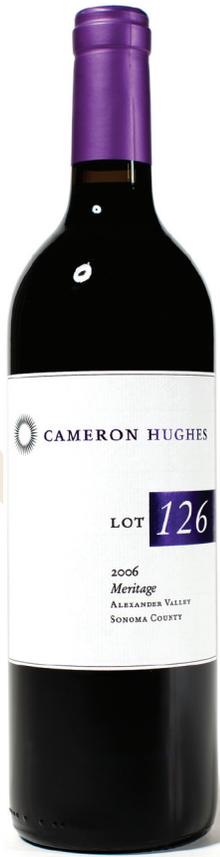

Our company was founded on the concept that exquisite wine should be available at everyday prices. Cameron is a wine négociant who travels the world in search of exceptional wines to share with wine lovers in select markets. Our wines are sourced from the finest growers and winery partners who must remain anonymous as they produce wines for much more expensive projects.

“Recently ranked #18 of the fastest growing private companies in the U.S.”

CAMERON HUGHES

Lot 126 Meritage

2006, Alexander Valley, Sonoma County

Taste: Dark red color. Brilliant nose reeks of black currant, black cherry and raspberry fruit with hints of cedar. Smooth, rich, and silky this wine has exceptional balance, outstanding complexity, and shows the deft hand of a winemaker crafting ultra-premium wine including generous fruit and supple texture. It has weight and dimension but never sacrifices its elegance for heft or brawn. An outstanding example of Alexander Valley terroir.

Made in 40% new French oak and sourced from the warmer climes of Alexander Valley, this wine is truly built to showcase the best of Alexander Valley. Still selling the 2004 and 2005 wines, the winery opted to sell us the 2006 production in its entirety.

Cameron Confidential: Last summer we were invited to visit one of the facilities in a recently formed marketing group for several wineries in the

Napa/Sonoma area. There we were shown about 10 wines and suffice it to say we bought everything they put in front of us, ranging from Carneros Pinot Noir and Chardonnay to Atlas Peak Cabernet to Alexander Valley Meritage. EVERYTHING we bought were finished bottling blend, simply excess wines above and beyond where they saw their sales projections and all ready to go right into the bottle. Go into the bottle they did this Fall.
