CAMERON HUGHES

LOT 148

2008 Chardonnay

SANTA BARBARA

This wine is yet another killer Chard value from the Santa Barbara region. It was lightly oaked, instead emphasizing the jovial fruit. Shows some malolactic fermentation with just a kiss of French oak from high-end cooperage. Notes of pears, apples with hints of bananas, a sensational texture, and a medium to full-body. Crisp acidity supports the wine's weight, providing terrific delineation and purity. As a more sprightly wine, this Chardonnay is best enjoyed with lighter fare.
